NINETEENTH ANNUAL REPORT

NEW YORK, April 19, 1930.

To the Stockholders of

CAROLINA, CLINCHFIELD AND OHIO RAILWAY:

The Nineteenth Annual Report of the Board of Directors, for the year ended December 31, 1929, is submitted herewith:

Under an indenture dated October 16, 1924, the properties of Carolina, Clinchfield and Ohio Railway and its subsidiaries were leased to Atlantic Coast Line Railroad Company and Louisville & Nashville Railroad Company for a period of 999 years from May 11, 1923, at an annual money rental as follows:

3% on $25,000,000 Capital Stock, or $750,000 annually, for three years from January 1, 1925.

4% on $25,000,000 Capital Stock, or $1,000,000 annually, for ten years from January 1, 1928.

5% on $25,000,000 Capital Stock, or $1,250,000 annually, from January 1, 1938, to May 10, 2922.

In addition to the foregoing money rental, the Lessees agree to pay the interest charges on the outstanding funded debt of and guaranteed by the Carolina, Clinchfield and Ohio Railway and on any bonds that may be issued to refund the same.

The Lease also provides that the Lessees will pay all charges and other expenses in connection with the payment of interest, shall pay all taxes upon the franchises and leased property and the income thereof, and shall also pay a sum equal to the annual corporate expenses of the Lessors not in excess of $12,000 per annum. All rental payments under the Lease are the joint and several obligations of the Atlantic Coast Line Railroad Company and the Louisville & Nashville Railroad Company.

The Lease expressly provides that in case of the issuance of any additional capital stock of the Railway, it shall be stock of a class which has no right to participate in any dividends declared from the money rentals above mentioned, which money rentals have been fixed at the amount specified for the purpose of enabling the Railway to pay dividends upon the $25,000,000 par value capital stock at the rates and for the periods above mentioned, and are not intended to be used for any other purposes whatsoever. In consideration of these money rentals, the stockholder agrees with the Lessees that he will vote his stock in such manner as is necessary to carry out the provisions of the Lease from time to time.

The payment of the above-mentioned annual money rental is to be made in equal quarterly instalments beginning April 1, 1925, to enable the Lessor to pay dividends upon its $25,000,000 capital stock at the rates specified.

Possession of the leased properties was delivered to the Lessees on December 1, 1924, and the first payment of the money rental under the Lease was made to the Lessors on April 1, 1925. On April 10, 1925, the first dividend of 75 cents per share, payable out of said money rental, was paid by this Company to the record holders of the $25,000,000 par value of outstanding capital stock.

The making of the aforesaid Lease was authorized by the Interstate Commerce Commission on June 3, 1924 (Finance Docket No. 3131).

We continue to summarize the conditions and circumstances of the joint Lease for the convenience of the stockholders and in response to inquiries that we from time to time receive.

DIVIDENDS

By resolution of the Board of Directors, March 12, 1925, dividends were declared on the $25,000,000 par value of outstanding common stock of Carolina, Clinchfield and Ohio Railway, payable out of the aforementioned money rentals, when received from the Lessees, at the following rates and for the following periods, to wit:

For the period beginning January 1, 1925, and ending December 31, 1927, at the rate of 3% per annum, payable in equal quarterly instalments of ¾ of 1% each.

For the period beginning January 1, 1928, and ending December 31, 1937, at the rate of 4% per annum, payable in equal quarterly instalments of 1% each.

For the period beginning January 1, 1938, and ending March 31, 2922, at the rate of 5% per annum, payable in equal quarterly instalments of 1¼% each.

Said dividends are payable on the 10th days of January, April, July and October in each year to stockholders of record at the close of business on the last days of the months preceding.

FINANCIAL

Under the provisions of the Railway's First and Consolidated Mortgage, dated December 15, 1922, and of Lease dated October 16, 1924, and with the authority of the Interstate Commerce Commission, granted January 26, 1929, in Finance Docket No. 7296, additional First and Consolidated Mortgage Gold Bonds, Series B, in the principal amount of $1,014,000, were issued during the year and delivered at par, in equal

shares, to Atlantic Coast Line Railroad Company and Louisville & Nashville Railroad Company, Lessees, in partial reimbursement for expenditures made by said Lessees for payment of instalments of equipment trust obligations of this Company matured between November 1, 1926, and June 30, 1928, and for additions and betterments to the properties of the Company and its subsidiaries from June 1, 1926, to June 30, 1928. These Series B Bonds were issued as of October 1, 1928, and bear interest from that date at the rate of five per cent. per annum, payable April 1 and October 1.

During the year, $1,500,000 principal amount of Holston Corporation Five Per Cent. Realty and Collateral Trust Convertible Notes, matured April 1, 1926, which were refunded by the Railway and pledged under the Railway's First and Consolidated Mortgage, as set forth in the annual reports for 1927 and 1928, were surrendered by the Trustee of said Mortgage and canceled and the amount thereof charged to Profit and Loss.

Submitted as a part of this report are a statement of mileage, a summary of the operation of the leased properties, a copy of the consolidated balance sheet and a statement of the funded debt and equipment obligations.
